

Second Grade Supply List

Hi Parents! Below is a list of the supplies your child will need for second grade. In order to maximize space in our classroom, we are separating the list in half and asking that you only send the beginning of the year items to school with your child. We will collect supplies again after winter break once we have moved into the Patrick Henry building. We are providing the complete list for your convenience so that you can take advantage of back-to-school sale prices. Happy shopping! ☺
